PARTICIPATION AND OUTREACH

2. BMP

Due to the Covid year very little participation and involvement occurred . We had pesticide application training for the road district and a recycling drive at the Township, zoom board meetings and very little public participation

ILLCIT DISCHARGE DETECTION AND ELIMINATION

3. BMP

Kane County will update its storm sewer mapping in GIS to include the location and size of all County-owned stormwater outfalls to receiving streams in the urbanized area, and will distribute up-to-date mapping and information across County departments including the Facilities, Transportation, and Emergency Management departments. Update the stormwater system map layer on an annual basis to incorporate new stormwater outfalls identified. Plato Township has been sent a copy of these maps and will work with Kane County to Verify the mapping in Plato Township and add to any existing mapping by communicating with the Water Resources Department.

The link below allows access by the Highway Department to these maps.

<https://www.countyofkane.org/FDER/Pages/County-Drainage-Maps.aspx>

CONSTRUCTION SITE RUN OFF CONTROL

4. BMP

The Kane County Stormwater Management Ordinance addresses all requirements of the Construction Site Runoff Control measures, D.1-D.7. Implement and enforce the Kane County Stormwater Ordinance, maintaining and updating program documentation annually.

Plato Township relies on reporting to and enforcing by Kane County for these issues.

POST - CONSTRUCTION SITE RUNOFF CONTROL

5. BMP

The Kane County Stormwater Management Ordinance addresses all requirements of the Post-Construction Runoff Control measures, E.1-E.7. Implement and enforce the Kane County Stormwater Ordinance, maintaining and updating program documentation annually.

Plato Township relies on reporting to and enforcing by Kane County for these issues.

POLLUTION PREVENTION AND GOOD HOUSEKEEPING

6.BMP

Plato Twp. Highway department will continue clearing roadside swales once a year, and inspecting and cleaning catch basins and storm inlets Twice a year.

During 2020, the Plato Highway Dept. approximately 2 miles of curbing and 3 bridge decks on a regular seasonal interval and cleaned out 10 catch basins in Plato Twp.

Plato Township has a recycling drive and waste disposal program.

Plato offers a waste disposal recycling program every year in with the solid waste hauler contracted by the Twp. That year.

Plato Twp. will continue to rely on the County's Hazzard mitigation plan The Kane County Emergency Management Department and Kane County Department of Environmental & Water Resources continue to coordinate the implementation of the Kane County Natural Hazards Mitigation Plan, which was first adopted in 2003 and updated in 2015.

During the permit year, Kane County hosted a Hazard Mitigation Committee meetings on:

- October 27, 2020 — Committee's regular October Meeting (note the April 2020 Meeting was cancelled due to COVID)
- November 6, 12, 13, 19 — Committee meetings to work on the Updating the Plan (held virtually due to COVID-19)
- February 5 and 10 — Public and stake holder meeting to discuss the purpose and the planning process for Updating the Plan (held virtually due to COVID-19)
